CLAREY LEADING IN GOLF TOURNEY

Bala Player Has Total of 242 for 54 Holes at Merion Cricket Club

By SANDY McNBILICK Eddie Clarey, of Bala, was leading the field at the end of the morning round of the 72-hole medal play golf tourney at Merion.

He went around in 84, which with 158 yesterday, gave him a total of 242 for the 54 holes. His card: Out..... 5 6 6 5 5 7 3 4 2-44 In..... 4 4 4 4 4 5 5 4 6-40-84

The members of the Lesley Cup teams from New York, Pennsylvania and Massachusetts will all be here before the day is done, and, if there is a low gross prize for the best eighteen holes, one for the best net at eighteen and thirty-stroke.

The contest for these five special prizes is expected to outdo in interest the main contest for the seventy-two-hole prize. This is due to the fact that some of the leading stars of the country are teeing off for the one-day prize.

Max Marston, George Hoffer and Edward Clarey are all just back of Kemble's 156, with their cards of 158 yesterday. In the main tournament, James Guilford, ex-Massachusetts open champion, had 160, one stroke back of J. Wood Platt, city champion, 160.

Platt had the best score of the day yesterday, 76, which included a 6 made on the short thirteenth, where he stepped to the green cutting a trap, buried itself, and the out went across the green to the creek.

Quimet Due Francis Quimet, ex-open and amateur champion, was to play this morning, paired with Max Marston. O'Neil wired last night from Boston that he was taking the 11 p. m. train.

The New York team has arrived en masse, except for Gardiner White and Reggie Lewis, who will arrive this afternoon.

The Gotham team is Oswald Kirkby, John G. Anderson, Jesse Swetser, J. S. Worthington, D. E. Sawyer, A. F. Kammer, Frank Dyer, Peter Harmon and Lucien Walker. Besides the stars mentioned above, Jerry Travers is not included, nor Philip Carter, though both are expected.

The tournament was a great success the first day. It was small, but it was all class, and there were none of the long waits, nor the often unpleasant course congestion that takes a lot of the pleasure out of any larger tournament. Everything went fine yesterday.

"You can quote me as saying I will win this tourney," stated Edward T. Styles, the quaint North Hills golfer. "A pair of 70's today, very fine indeed. Styles is still trying to solve the mystery of his game. Yesterday he tried to play whilst smoking a cigar.

"If George Hoffer can't I guess I can't," asserted the marathon king. But it put his eye out on putting and he took a 7 on No. 1. Then he had a half-burnt cigar reverently, but threw it away—marking the spot. His game immediately recovered its equilibrium and Styles went back for the cigar after a 4 on three and four.

No cigar. Blooie—another 7 on five. Then he smoked cigarettes and had 4-3-4-2.

Hard to Figure "I ain't figured this game out yet," observed the North Hiller. "At that I beat Platt 11 and I guess I guess I can't be the best player at North Hills, anyhow."

Styles brought an amateur caddy, thinking a lunch for the latter would be easier to make than a caddy. "Let's see the bad news," he demanded of the waiter.

Today Styles had a regular caddy. An effort may be made today to land a berth on the Lesley Cup team for Maurice Risley, who qualified in the national and won the Atlantic City and Shawnee tournaments, and the late great J. L. Worthington, the Englishman, and Frank Dyer.

Risley is a Jersey resident, though a member of the Philadelphia Golf Association. His status is apparently the same as that of the "New Yorkers" living in Connecticut and northern New Jersey.

His addition to the Pennsylvania team would help considerably. Little Chance It is reported today, however, that there is little chance of Risley being considered. The Keystone team is governed by the laws of the Pennsylvania Golf Association, which bars players not residents of the state.

The New York team is governed by the laws of the Metropolitan Association, which permits golfers on the team who are members of the association and living in the district embraced.

It is likely next year that definite rulings will be laid down for all teams, and that Rhode Island, Connecticut and New Jersey will be admitted to the play, though nothing definite has as yet been done in the matter.

The New Yorkers failed unanimously to appear for the start of the tourney. They will arrive today. Peter Harmon, the representative of the state, carried off the honor to the thirty-ninth hole in the first round of the national, and will play New York in the Lesley Cup matches Friday.

Most of the Boston team was out this morning, though Larry Paxon and Jesse Guilford are the only ones playing through the seventeenth hole. New York Bay State captain, cautioned the team to take it easy.

Fred J. Wright, youthful Massachusetts champion, had a 74 at Merion yesterday morning. He tied with Bobby Jones for the national, and will play New York probably will play No. 2 on his team here.

Joseph J. Young, Frankford, the Lu Lu medalist, started 4-6-6-7-7 in his first round at Merion Saturday and Sunday, over four too much of a handicap in six holes.

HEISMAN GLIDE AGAINST BUCKNELL

Penn Football Coach Prepares Defense Against Lewistown Collegians on Saturday

John Heisman, coach of the Penn football team, is preparing a defense against Bucknell's slide. In the practice late yesterday afternoon the coach devoted the scrimmage to defensive tactics. The varsity eleven held the scrubs, who made few gains with Bucknell plays and formations. Reports from Lewistown say Bucknell has a strong team.

Penn expects to make frequent use of the Heisman glide. The slide will be saved for use only in games against teams in which it is absolutely necessary. The varsity won the scrimmage by a single touchdown margin. Joe Straus made the score from the 20-yard line, when he intercepted a forward pass and dashed over the goal line.

Five men were added to the varsity squad tentatively. All are linemen. They are Steitler, Swan, Rugh, Brown and Robb. Herb Dieter was on the field yesterday, but did not take part in the practice work. Staples, a big tackle, James joined the squad. The roll of candidates now numbers more than eighty men.

The showing of Maher, the scrub quarterback, in the scrimmage was one of the day's features. This lad recently made a name for himself as quarterback on the Notre Dame freshmen, and by Dickson is greatly impressed with his work and is taking personal charge of Maher.

Jack Keogh, the freshman coach, sent two elevens through a hard battle. Aided by Lou Little, who took command of the second team, Doctor Keogh staged a lively fray.

Goldblatt, the former Southern High star, broke through the second line on a number of occasions. He called the plays on the first team. N. J. Sullivan, a tackle, Derr, a big guard, and Dessen, another Southern High lad, a halfback, showed well.

Report that the Penn intelligible against Bucknell was spiked when both Crawford and Farrell stated that there is no chance of their becoming eligible in time, while Griffin is also under the faculty bar.

Princeton—Coach Roper sent the varsity and the scrub through the hardest scrimmage of the season in practice on Saturday. The varsity played the scrubs, but put cumbered to the varsity offense. Roper has been using many of his veterans extensively in the scrimmages and may not risk them much on the field. The play on the sidelines, and Murphy is rather light and would lose needed weight in the present heat.

WHITE SOX WILL BATTLE FOR FLAG

Crippled by Scandal Probe, Chicago Has Fighting Chance Against St. Louis

Chicago, Sept. 30.—With little more than a fighting chance to win the American League pennant, the Chicago White Sox, crippled through the loss of seven stars as a result of the baseball scandal investigation, left today for St. Louis to open the final three-game series of the season tomorrow with the St. Louis Browns.

The players were determined to fight to the end and were not backward in expressing their belief that the Browns, who have just lost four straight to the Cleveland Indians, would lose three more in a row. For the Sox to win the pennant they must win three in a row, while Cleveland is dropping three out of four to Detroit. Today the two leading teams are a game and a half apart.

If the Sox gain three victories over St. Louis, Cleveland could lose one to Detroit and still win the pennant, lose two and tie Chicago for the championship, and must lose three for Chicago to win the pennant.

In case of a tie a three-game series has been arranged by the national commission, one in Cleveland, one in Chicago and one on neutral ground. On his final drive for the pennant Manager Gleason expects to pitch Kerr in the first game, Faber in the second and Murphy in the third.

The rest of the line-up probably will be Scholt, catcher; Jourdan, first base; E. Collins, second base; McClellan, shortstop; Murphy, third base; J. Collins, left field; Leibold, center field; Strunk, right field.

Among those who were on hand for the opening round were Jim Barnes, St. Louis professional and present southern open champion; Jack Hutchinson, professional golfer's champion and western open titleholder; Leo Diegel, runner-up in the national open tournament; Walter Hagen, last year's national open champion; J. Douglas Egar, Canadian open champion; and Bobby Jones, Atlanta's youthful amateur.

U. S. SWIMMERS RETURN O'LOUGHLIN LOSES ON FOUL

Forty-five Athletes, Rearguard of U. S. Team, Reach New York New York, Sept. 30.—The rearguard of America's Olympic team set foot on home soil when the White Star liner Mobil, delayed since Tuesday because of a case of smallpox aboard, proceeded up the stream to her berth at Pier 50.

On board the ship was a collection of forty-five of Uncle Sam's representatives in the late Olympic games, thoroughly glad to get back home once again and eager for a sight of relatives and friends.

The party included the entire team of women swimmers, together with some men swimmers and representatives of the wrestling, cycling, boxing, track and field and rowing teams.
